

# Copyright Assignment Form

## Avicenna Journal of Medical Biotechnology

### Copyright/Authorship/Disclosure Form

This Agreement is made between the Avicenna Journal of Medical Biotechnology (AJMB) and the authors, regarding the article submitted for publication in the Journal.

To enable publishing the article in the AJMB journal the authorship, ownership of copyright and financial disclosure/conflict of interest must be established.

Please read and complete the form below and return it to the address given below. There are explanatory notes to this Agreement, which also form part of the Agreement.

The article cannot be published until this signed agreement is received by AJMB.

### Copyright

A. In consideration of the publication of the Article in the above Journal, I hereby warrant and undertake:

1. That this Article is an original work, has not been published before and is not being considered for publication elsewhere in its final form either in printed or electronic form.
2. That I have obtained permission from the copyright holder to reproduce in the Article (in all media including print and electronic form) material not owned by me, and that I have acknowledged the source;
3. That this Article contains no violation of any existing copyright or other third party right or any material of an obscene, indecent or otherwise unlawful nature and that to the best of my knowledge this Article does not infringe the rights of others;
4. That I will indemnify and keep indemnified the Editors, Avicenna Journal of Medical Biotechnology against all claims and expenses (including legal costs and expenses) arising from any breach of this warranty and the other warranties on my behalf in this Agreement;
5. That in the case of a multi-authored Article I have obtained copyright assignment from all co-authors, in writing, and authorization to enter into this Agreement on their behalf and that all co-authors have read and agreed the above warranties;

B. In consideration of the publication of the Article in the Journal, I hereby assign to Avicenna Journal of Medical Biotechnology copyright for the full period of copyright and all renewals, extensions, revisions and revivals together with all accrued rights of action throughout the world in any form and in any language (including all media, both now known or later developed). Avicenna Journal of Medical Biotechnology may assign its rights under this Agreement.

Notwithstanding the above, I retain all proprietary rights other than copyright, such as patent and trade mark rights and rights to any process or procedure described in the Article.

### Authorship

Designated authors should meet all criteria for authorship in the ICMJE Recommendations.

I, the undersigned author(s), certify that:

- I have substantially contributed to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work;
- I have drafted the work or revised it critically for important intellectual content;
- I have seen and approved the final version of the manuscript, and all subsequent versions.
- I agree to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

I accept public responsibility for it, and believe it represents valid work. As an author of this article, I certify that none of the material in the manuscript has been previously published, nor is included in any other manuscript. I certify that this manuscript is not under consideration for publication elsewhere, nor has it been submitted or accepted in another publication in any form.

**Conflicts of Interest**

I, the undersigned author(s), certify that elements mentioned below have been included in my manuscript:

- Any financial interests and sources of funding which may inappropriately influence my actions
- All sources of funding declared as an acknowledgment at the end of the text
- Sources of support for the work, including sponsor names along with explanations of the role of those sources if any in study design; collection, analysis, and interpretation of data; writing of the report; the decision to submit the report for publication; or a statement declaring that the supporting source had no such involvement;
- I have had full access to all the data in the study (if applicable) and thereby accept full responsibility for the integrity of the data and the accuracy of the data analysis.

**Manuscript title:**

**Manuscript number (if applicable):**

**Corresponding author declaration**

I [Signature], the corresponding author of this manuscript, certify that contributors' and statements included in this paper are correct and have been approved by all co-authors.
